Solar Installed In Our Region

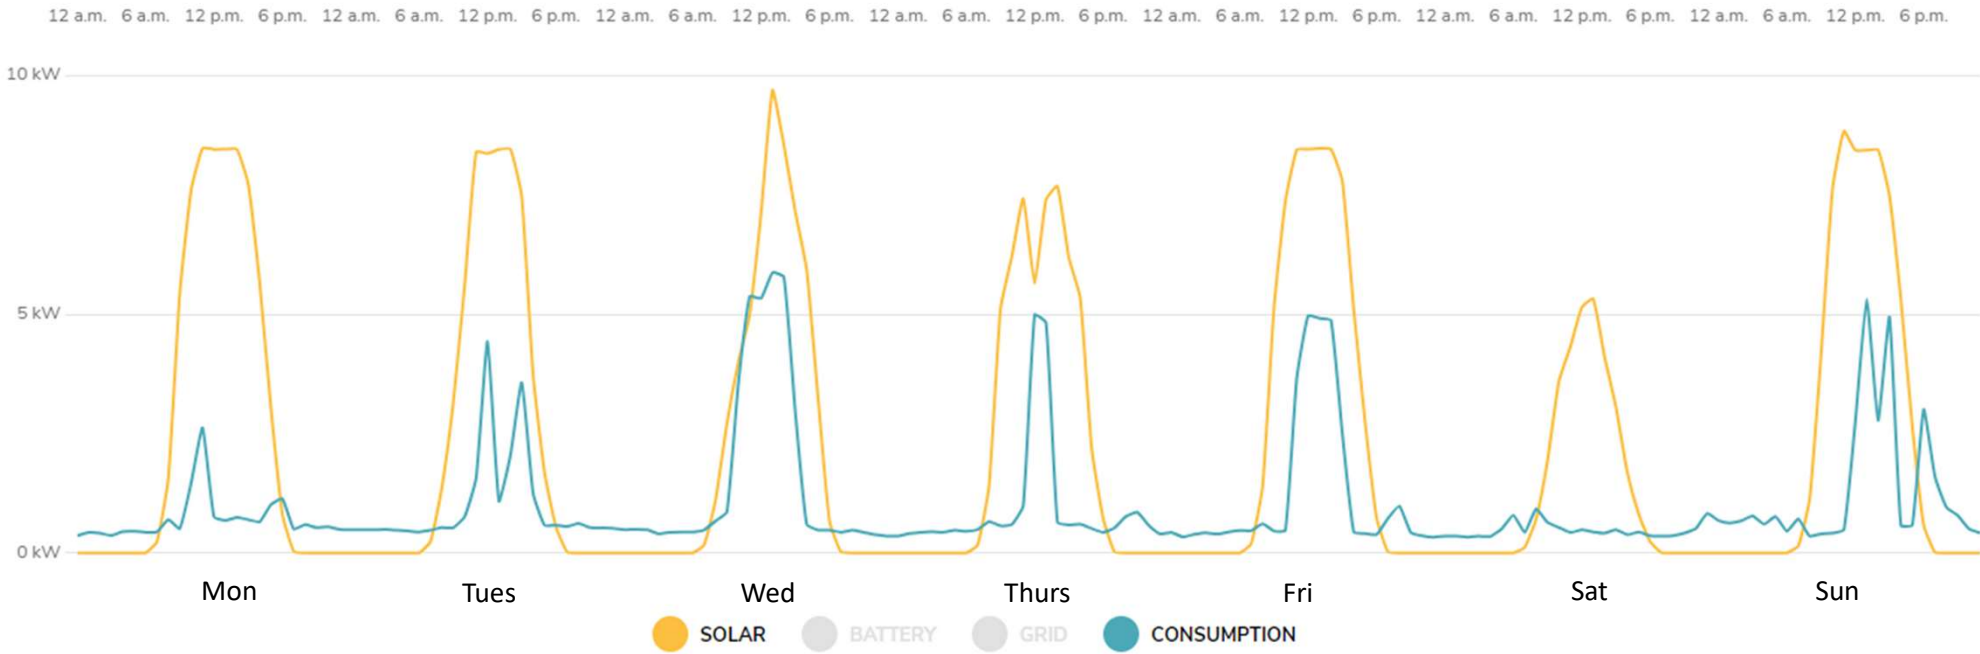

Weekly Electricity Consumption

**Typical Small & Medium Sized Consumer
Simplified for Presentation**

Solar Heartbeat

**Load Displacement
~30% To Grid
100% In Province Renewable Energy Claimed**

Solar is Opportunity

- ✓ The sun shines in New Brunswick too
- ✓ Promotes economic activity & innovation
- ✓ Helps reach renewable energy targets

Energy is just a unit of measurement,
it's what we do with it that creates
opportunity.
